

Course Overview
The integration of love and sexuality
in children from 0 to 12 years of age

Teachers in charge

Solange Lefebvre-Pageau and Rosette Badila

Clients

This course is intended for everyone, but above all for parents and educators of parents and for their loyal associates in a pedagogy of the inner approach to the integration of love and sexuality in children aged 0 to 6 and 6 to 12.

Duration of the course

20 hours spread over a maximum period of 6 weeks.

Objective

To respond to the need and right of every child to learn from his/her adequately trained parents to fully humanize him/herself by becoming an emotionally and sexually balanced and harmonious being.

Contents

In the light of Judeo-Christian philosophy, of the concept of integration (inspired by the humanities), and of the common thread of human and spiritual maturity, this course focused on parents will transmit a pedagogy of the process of integrating love and sexuality that every child has to undertake during his/her childhood.

In concrete terms, this course will deal with the *what*, the *why* and the *how to become* parents able to initiate their child in the specific area of emotional and sexual life.

This course will also demonstrate the importance and urgency for any educator (or even society as a whole) to discover the concept of integrated love-and-sexuality and to commit resolutely to the promotion of a new culture.

Suggested Learning Activity for Registered Participants

Throughout the course, holding regular discussion meetings with one, two, three, or four other persons.
